## Employment Opportunity

**Position:** Registered Nurse

**Position Purpose:** Cedar Cottage Neighbourhood House is looking for a Registered Nurse for their Adult Day Program to provide hands on care, nursing assessment, evaluation, and care planning and wellness initiatives for ADC clients, and acts as a liaison to family and other Health care professionals as required to meet the complex health care and cultural needs of a diverse seniors population in order to support them to remain at home and in the community for as long as it is safe and practical. The Registered Nurse works in a team environment to support each other in health and program related delivery and evaluation and participates positively and productively as member of the Neighbourhood House team.

### Qualifications:

- Current and active license with BC Nursing Association
- Proven nursing experience in working with the frail elderly (min. 1 year)
- Proven experience in community based care (min. 1 year)
- Current CPR
- Demonstrated skills to perform personal care and health procedure within scope of practice
- Excellent verbal and written communication skills and ability to develop and implement care initiatives
- Interest in working with the frail elderly and in a community setting
- Valid driver's license
- Word processing, computer knowledge with MAC
- Demonstrated enthusiasm and motivation to work with frail elderly and disabled clients in community
- Demonstrated ability to work effectively with staff, volunteers, community members, and community organizations in a multicultural setting.
- Ability to work independently and in cooperation with others; ability to organize and prioritize.
